Brothaspeak Podcast is the perfect place for topics and issues about Afro-LGBT

Listeners are provided with educative, informative and entertaining podcast that add value to their lives

Wilton Manors, FL: BM&M is proud to announce the launch of their online podcast website Brothaspeak Podcast. The podcast is a platform where black LGBT issues and topics are discussed. The podcast touch everything about the LGBT community including relationships, politics, fashion and entertainment. They also invite real people for interviews to discuss real life experience and express their personal thought. Celebrities also take part from time to time to improve the overall experience and provide insights into everything that affects black LGBT. Check on the website www.brothaspeakpod.net to download and listen to their top favorites podcast available free of charge.

"We stand as a media platform to create awareness and educate the world about the AFRO-LGBT community. Our aim is to provide a platform where people can relate and express their feelings. Our topics are carefully selected to reflect what is happening in the society and try to find a different perspective or angle to the narrative," said Christopher Gadson, CEO, and founder of Brothaspeak Podcast.

Brothaspeak Podcast also provides listeners with surprising interviews from public figures and celebrities who they admire. Most importantly, they always keep the community as the core focus by providing all topics with humor, honesty, & info. Some of the popular podcast topics on the site including "the gay halo effect," "pray the gay way," "life after the trump victory," "what's your fetish" and the "T in LGBT." Every single podcast is engaging, entertaining, interesting, educative and inspiring. **The host and creator of the podcast, Christopher Gadson, is a highly informed podcaster who also displays** passion and commit to providing excellent media content to their target audience.

"This is one podcast I would say I never want to miss. They are doing a great job discussing and analyzing the most important issues related to black LGBT community in the United States. I have listened to all the podcasts and waiting for the latest one," said Will D, a fan.

Brothaspeak Podcast also offers additional services including advertising goods and services for businesses and announcing special events.
